

Hossam Mahmoud

Frontend Developer

Address: Alexandria, Egypt

Mobile: 01201372503 **Email:** hossamkheder9999@gmail.com **Portfolio:** [Hossam Mahmoud Portfolio](#)

LinkedIn: [Hossam Mahmoud | LinkedIn](#) **GitHub:** [GitHub \(HossamMahmoudkhedr\) \(github.com\)](#)

Objective

Enthusiastic and motivated Junior Frontend Developer with a passion for creating engaging and user-friendly web experiences. Seeking an opportunity to learn, grow, and collaborate on projects that combine creativity and technology to deliver impactful user interfaces and responsive designs and join professional teams.

Experience

Frontend Freelancer | January 2023 – Present

As a freelance frontend developer, I've been actively involved in creating visually appealing and responsive web projects.

Notable Freelancing Projects:

1. Portfolio Website

Designed and developed a personal portfolio website using Figma, React.js, and CSS. Focused on the landing page and project details page.

Frontend intern at CodeClause | September 2023 – October 2023

As a Frontend Intern at CodeClause Company, I had the opportunity to work on various web development projects and enhance my skills in the following areas:

- **Project Work:** I was assigned 4 projects. I successfully completed the 4 projects of the internship.
- **GitHub Repository:** I created and maintained a GitHub repository for each project.

Projects I worked on: [To-do list](#), [Timer and Stopwatch](#), [YouTube Clone](#), [System survey](#)

Skills

- Strong skills in HTML, CSS, and JavaScript for web development.
- Skilled in React.js to build scalable, reusable, and user-friendly front-end applications.
- Skilled in Git and GitHub for streamlined version control and collaboration.
- Experienced in Bootstrap for rapid development of responsive websites.
- Well-versed in Redux for efficient project state management.

Projects

Theme Consulting

Create a responsive landing page for a business management company, to show their information, vision, values, goals, core message, and comprehensive range of services.

Features:

- Integrated both Arabic and English languages to enhancing accessibility and user engagement.
- Created a fully responsive layout that adapts to various screen sizes and devices, ensuring an optimal user experience on desktops, tablets, and mobile phones.
- Utilized JavaScript to incorporate interactive elements such as dynamic content, enhancing user engagement and interactivity.
- Crafted a modern design using CSS and Bootstrap.

Technologies: HTML, CSS, JavaScript, Bootstrap.
